Introduction to Charity Art Gallery (C.A.G.)

Who We Are: Charity Art Gallery (C.A.G.) is an innovative art gallery that merges art, philanthropy, and community in an unparalleled way. We are committed to showcasing visual art in all its forms, from paintings and sculptures to photography, while ensuring that a portion of the proceeds is donated to charitable organizations.

Our Mission: Our mission is simple: to make art more accessible, to support artists from all walks of life, and to use the power of art to make a tangible difference in the world. Each weekly event we host serves as both a platform for creative expression and a way to raise awareness and funds for important social causes.

What Sets Us Apart:

- **Philanthropy-Driven Art Exhibitions:** 10% of art sales are donated to various charitable causes such as WWF, Läkare Utan Gränser, Barncancerfonden, The Hunger Project, and Bröstcancerförbundet (the buyer chooses)
- **Inclusive for All Artists:** Whether you're a budding artist or a seasoned professional, C.A.G. offers a space for everyone, for a price.
- **Diverse Art Forms:** From contemporary visual art to performing arts, our events showcase a wide range of creative expressions.

Our Past Successes and Growing Community

C.A.G. and Charity Art Expo has already successfully hosted three events in Stockholm, bringing together around 90 artists each time and thousands of visitors. Our art fairs are not just about art sales; they are about building lasting relationships within the artistic community and with the public.

- Attendance: Our events attract between 500 and 850 visitors per day.
- Exhibitors: With 256 artists showcasing their work at past events, our platform has grown significantly, and the diversity of art on display continues to expand.
